

# Invitation for Prequalification

Project Name: **Design and Build Wawa Water Supply System Project – Pump Stations**

The Manila Water Company, Inc. intends to prequalify contractors for the **Design and Build of the Wawa Water Supply System Project – Pump Stations** [“Works”] located in Calawis, Antipolo.

The Project when completed shall be part of the treated water transmission line capable of transmitting water from the Water Treatment Plant (WTP) located at Calawis going to Boso-Boso Area to serve the client network for Antipolo and neighboring municipalities.

It is expected that invitations to bid will be in the third quarter of 2022.

Interested eligible bidders may obtain further information, and inspect the prequalification documents, transmittal of an email, or letter of intent to apply (LOI) to the address below. The letter will be accepted on or before May 27, 2022.

Applications for prequalification should be submitted in portable document format (PDF) and should be emailed to the designated Employer email.
