

# Invitation for Prequalification

Project Name: **Makati-Manila Sewerage System – Sewer Network Packages  
FRAMEWORK AGREEMENT**

**Manila Water Company, Inc. (MWC)** intends to prequalify contractors for the **Makati-Manila Sewerage System – Sewer Network Packages – Framework Agreement**. The project involves the construction of approximately 21 kilometers of sewer networks to deliver inflows to the 65 MLD Makati-Manila Sewage Treatment Plant (STP) in Pandacan, Manila, Philippines. The sewer network comprises conventional sewer pipe-laying, micro-tunneling, and other sewer network appurtenances. Applicants should have a Philippine Contractors Accreditation Board (PCAB) registration of “**AAA**” as Contractor for Construction.

Interested Applicants should submit a **Letter of Intent (LOI)** to the email address below. The LOI should be submitted in portable document format (PDF) via e-mail by **19 April 2021**. Late applications will be rejected. A complete set of Prequalification Documents shall be issued in due course.

**Attention: Marlow Presto – LOI Makati-Manila Sewer Network Packages**
